

## Structure Fire

Monday, May 24, 2010:

This afternoon around 17:00 hours Kaysville Fire crews were dispatched to a confirmed house fire with flames showing in the area of 700 East 300 North. Ambulance 61, Ambulance 63, Engine 61, Truck 61, Heavy Rescue 61 and 601 responded. Layton Fire crews responded as automatic-aid with Ambulance 52, Medic Engine 52, Engine 53 and Battalion Chief 51.

Upon arrival heavy smoke was showing in the attic. Truck 61 performed a fast attack and was assisted by Engine 61. Crews were able to get a quick knock down on the home. The origin of the fire was in the attic and was caused by a welder's torch during home renovation.
