

Structure Fire

Tuesday, June 15, 2010:

Yesterday afternoon Kaysville Fire crews were alerted to a structure fire with flames showing in Fruit Heights. Engine 61, Engine 62, 601, and 602 responded from Kaysville. Layton responded as automatic-aid with Truck 53 and Battalion Chief 51.

The fire started outside the home during a home renovation project. The homeowner was able to put most of the fire out by the time crews arrived on scene. Crews did find small amounts of fire within the walls of the home but they were able to extinguish that quickly.
